12:10 – 12:25 PM	Judges Discussion & Final Mark Consolidation
12:25 – 12:30 PM	Closing & Result Announcement (Optional)

---

### **IMPORTANT RULES**

#### **1. Reporting Time:**

Participants are expected to report before the official start time.

However, late entry is allowed up to 30 minutes after event start.

No additional time will be given to late participants.

**2. Development Time:**

Participants will get exactly 1 hour for development.

Work must stop at the declared code freeze time.

**3. Submission:**

- GitHub repository submission is mandatory.
- Repository must be pushed before the deadline.
- Repository link must be submitted through the official event website.
- Failure to submit GitHub link before deadline results in disqualification.
- No offline or pen-drive submissions will be accepted.

**4. Evaluation:**

Judges will visit participants after the development phase.

Participants must explain:

- Problem understanding
- Project logic
- Implementation approach
- Features implemented
- Use of Local Storage or Firebase (if applicable)

**5. End Time:**

The end time is strictly fixed.

No extension will be provided under any circumstances.
